The Extreme Academy is the next level for the care seeking college soccer player.

The Extreme Academy is the only recruiting and marketing program to teach a self-training schedule to meet the demands of playing at a college level with an international flair.

This curriculum teaches players effective decision-making at game pace, preventing loss of possession in critical areas of the field and enabling the student to recognize weaknesses instinctively and react without hesitation. We cater to the schooling of soccer players who aspire to play be the college stars of tomorrow.

The Extreme Academy curriculum is demanding and designed for success. The student will have an increased confidence in his/her ability.

EXTREME ACADEMY FIELD PLAYER PROGRAM

This program is designed to enhance and develop field players of all levels to reach their fullest potential.

This unique curriculum is designed to fit the demands of the soccer player of today and the professional of tomorrow. It will cause you to evaluate your present standard of play and realistically raise your expectations to an achievable level, and challenge your soccer ability mentally, physically and tactically. Our students develop increased confidence in their ability and themselves. We are designed for success and we are demanding.

EXTREME ACADEMY GOALKEEPING PROGRAM

Goalkeeping is a highly concentrated and specialized position. It takes a unique breed of athlete that must possess within them a natural instinct, grace, mental/physical toughness, and courage. These programs will work to strengthen these foundation principles of the typical goalkeeper of today, ultimately raising them to a higher level of play with the ability to identify and correct poor techniques and self-train with results and not stand around waiting for the rest of the team.

IT IS TRULY A PROGRAM OF EXCELLENCE!
